

Favor Proclamation
by Graham Cooke

Thank you, Father, that I'm dead
And my life is hid with Christ in you.
I am no longer focused on my old nature;
I consider it to be dead.
I am fully alive in you,
And I love my new nature in life.
I love to put on my righteousness,
And I love to wear my holiness in Christ.
I joyfully partner with the Holy Spirit
To establish my new nature in reality and truth.

I am dead to sin, and I'm therefore free from it.
The truth of my new nature sets me free
To enjoy my relationship with you
In the joy and peace of believing.
Thank you that your favor allows me to explore and discover
Your goodness and your kindness to me in Jesus.
I declare that I have a renewed mindset.
Touch the eyes of my heart
that I may see myself and others as You see.
I accept your vision and your perception of me
and I claim it as my own.
Now I walk in newness of life.
In Jesus name,
Amen!
